

Advanced Cognitive Coaching Course

Hosts: 'Education Across Frontiers'

Part One

This Advanced Cognitive Coaching Seminar will provide refinement and depth of learning for those looking to achieve expert proficiency in Cognitive Coaching and is supportive of those who wish to begin the pathway to becoming an agency trainer. In order to participate in this Advanced Cognitive Coaching seminar, you must have completed the Cognitive Coaching Foundation Course.

By participating in this training, the learner will:

- Refine and extend core coaching capabilities and skills.
- Develop skills with advanced forms of paraphrasing, probing for specificity and inquiring to mediate the thinking of others.
- Expand the possibilities of applications and of our identities as mediators.
- Frame personal coaching mastery as a journey, not a destination.
