Hong Kong Academy is offering the full 8 day Cognitive Coaching Course during the 2015/16 school year. The course will provide an in-depth exploration of the communication skills needed by teacher leaders and also those occupying positions of educational leadership. Specifically, as a result of the course, learners will:

- Explore how filters of perception influence our thinking
- Have extensive opportunities to practice their coaching strategies
- Experience and mediate “cognitive shift”
- Examine the role of data in mediating thinking
- Understand and navigate the problem solving conversation map

Part One
