

# Cognitive Coaching Course

## Hosts 'Education Across Frontiers'

### Part One

Hong Kong Academy is offering the full 8 day Cognitive Coaching Course during 2017. The course will provide an in-depth exploration of the communication skills needed by teacher leaders and also those occupying positions of educational leadership. Specifically, as a result of the course, learners will:

- Explore how filters of perception influence our thinking.
- Have extensive opportunities to practice their coaching strategies.
- Experience and mediate “cognitive shift”.
- Examine the role of data in mediating thinking.
- Understand and navigate the problem solving conversation map.
